

WELCOME TO THE 12th Annual EOR Carbon Management Workshop

*Mike Moore, Workshop Director,
NACCSA and FearnOil Inc.*

Midland Center, Midland, Texas – Tues, Dec 9, 2014

12th Annual EOR Carbon Management Workshop

Midland Center, Midland, Texas - Tuesday Dec 9, 2014, AM Session

- 7:30 am Registration
- 8:00-8:45 Opening of Program Michael Moore NACCSA/FearnOil Inc. and (8:20-8:45) Steve Melzer-Melzer Consulting & APTA
“New Strategies While Waiting for on CO₂”
- 8:45-9:15 Opening Keynote Speaker-Latest on the “Size of the Prize and the ROZ” Vello Kuuskraa President and COB of Advanced Resources Intl. www.adv-res.com
- 9:15-9:45 TCEP- Summit Power Updates and Additional Projects Eric Redman President Summit Power Group LLC
www.summitpower.com
- 9:45-10:15 NRG-Petra Nova Parish CCUS Project Texas Latest Developments; David Greeson Vice President, Development Petra Nova
www.nrg.com/carboncapture & Kenji Hagiwara, Sr. Reservoir Engineer JX, Nippon Oil Exploration (U.S.A.) Ltd. (WA Parish Petra Nova CCUS Project partner) www.nex.jx-group.co.jp/english/newsrelease/2014/20140908_01.html
- 10:15-10:35 Current Status of MHI CO2 Capture Plant Technology and Commercial Experiences Takashi Kamijo Mitsubishi Heavy Industries America, Inc. www.mhi-global.com/products/category/co2_recovery_plants.html
- 10:35-10:50 Networking Break
- 10:50-11:10 Latest Developments at the EERC and CO2 in the Bakken Shale for EOR. John Harju Associate Director for Research at the EERC www.undeerc.org
- 11:10-11:30 Federal, State and International Overview: Kipp Coddington General Counsel NACCSA and Partner Kazmarek Mowrey Cloud Laseter LLP www.naccca.org & www.kmcllaw.com
- 11:30-12:00 Insights on CO2-EOR and Geologic Storage. Dwight Peters President-Schlumberger Carbon Services
<http://www.slb.com/services/additional/carbon.aspx>
- 12:00-1:30 Keynote luncheon speaker- “Trends in Hydrocarbon Commodity Development” Dr. Michelle Fosse Chief Energy & Program Manager Bur of Econ Geology’s Center for Energy Economics Jackson School of Geosciences Economist
www.beg.utexas.edu/energyecon

12th Annual EOR Carbon Management Workshop

Midland Center, Midland, Texas - Tuesday Dec 9, 2014, PM Session

- 1:30-1:50 A World View on CCUS and its Applications/Developments/Value Proposition Charles McConnell Executive Director, Energy and Environment Initiative (e2i) www.eei.rice.edu
- 1:50-2:10 Highlights and Recent Developments from the Southern States Energy Board. Ken Nemeth Executive Director SSEB www.sseb.org
- 2:10-2:30 Monitoring and Surveillance Aspects of the first CO₂ Sequestration Project in Saudi Arabia. Modiu Sanni & Sunil Kokal Reservoir Engineering Tech Team EXPEC Advanced Research Center Saudi Aramco www.aramco.com
- 2:30-2:45 Networking Break
- 2:45-3:15 Global CCUS Developments. Neil Wildgust Principal Manager - Geological Storage Global CCS Institute www.globalccsinstitute.com
- 3:15-3:45 The CCP3 Collaboration Project – Main Achievements and Forward Plans. Nigel Jenvey, Carbon Solutions Manager, BP Group Technology & Chairman of CCP www.bp.com & www.co2captureproject.org
- 3:45-4:15 Enhanced Oil Recovery and CO₂ Resource Studies at the USGS. Peter Warwick Project Chief www.usgs.gov
- 4:15-4:45 U.S. EPA's Underground Injection Control Program: Class VI Geologic Sequestration Rule Implementation. Mary Rose "Molly" Bayer Co-Leader for the Geol Seq Team of the Drinking Water Protection Division, Ofc of Ground Water and Drinking Water US EPA. The primary contact for the Geologic Sequestration UIC Class VI rule and its implementation. US EPA www.epa.gov
- 4:45-5:00 "Preparing for CO₂ Flooding: How to Monitor and Optimize Waterflood Performance Using a Data-driven Modeling Approach" Srikanta Mishra, Institute Fellow and Senior Research Leader, Battelle Memorial Institute www.battelle.org
- 5:00-5:15 GHG Permitting in Texas. Scott Deatherage Partner Gardere LLP www.gardere.com
- 5:15--- Workshop Overview and Insights Panel: Michael Moore-FearnOil/NACCSA, Steve Melzer-APTA, Scott Wehner- Chaparral Resources and Doug McMurrey-KinderMorgan
- 6:30--- Workshop Reception
